

We're driving more traffic to thousands of shopping centers across the country.

Yours could be next. Long Island & Queens

The UPS Store®

Why consider welcoming The UPS Store® into your shopping center? For starters, we're backed by one of the most familiar and admired brands in the world.

The benefit: Consumers recognize and trust The UPS Store from day one.

We work hard to grow our business through marketing initiatives, including local advertising that drives customers to specific locations—such as your shopping center. With The UPS Store in your shopping center, you can look forward to business from the moment we open our doors.

Site requirements:

- 800 to 1,800 square feet
- Highly visible, grocery-and/or drug store-anchored shopping centers, strip centers, retail corridors or stand-alone sites
- Unobstructed store signage and visibility from road and shopping center
- High traffic counts
- Easily accessible parking-storefront, 15-minute parking spaces preferred
- Glass frontage (20' wide or more) and rear door delivery and pick-up preferred.
- Adjacent to, or in, market areas with commercial business and professional office parks, universities, medical centers, tourist areas. etc.
